**WHEREAS, the terms “1977 Pledged Revenues,” “Revenues,” “Net Revenues,” “Operating Expenses,” “General Revenues,” “PFC Revenues,” “Special Purpose Revenues” and “Released Revenues” are defined in the Master Bond Ordinance as:**

**“Revenues” means (i) all revenues, income, receipts and money derived from the ownership and operation of the Airport, including without limitation all rentals, charges, landing fees, use charges and concession revenue received by or on behalf of the City, Investment Earnings and all other income received from, and gain from, securities and other investments and amounts earned on amounts deposited in funds and accounts under the Bond Ordinance or otherwise maintained with respect to the Airport, and (ii) all gifts, grants, reimbursements or payments received from governmental units or public agencies for the benefit of the Airport which are (y) not restricted by law or the payor to application for a particular purpose other than payment of certain Bonds or Contracts and (z) otherwise lawfully available for payment of Bonds or Contracts; provided “Revenues” includes PFC Revenues. The term “Revenues” does not include proceeds of insurance so long as such proceeds are to be paid to a party separate from the City in respect of a liability or are to be used to repair or replace portions of the Airport. “Revenues” are to be calculated on a cash basis rather than on an accrual basis.**

**“Net Revenues” means, for each category of Revenues, Revenues net of Related Operating Expenses; provided for General Revenues, amounts in the General Revenue Enhancement Subaccount shall be taken into account as General Revenues, and for PFC Revenues, amounts in the PFC Revenue Enhancement Subaccount shall be taken into account as PFC Revenues.**

**“Operating Expenses”** means all expenses reasonably incurred in connection with the operation, maintenance, repair, ordinary replacement and ordinary reconstruction of the Airport, including without limitation salaries, wages, the cost of materials, services and supplies, rentals of leased property, if any, management fees, utility costs, the cost of audits, Paying Agent’s and Bond Registrar’s fees, payment of premiums for insurance required by the Bond Ordinance and other insurance which the City deems prudent to carry on the Airport and its operations and personnel, and, generally, all expenses, exclusive of depreciation or amortization, which are properly allocable to operation and maintenance; however, only such expenses as are reasonably necessary or desirable for the proper operation and maintenance of the Airport shall be included. “Operating Expenses” also includes the City’s obligations under any contract with any other political subdivision or public agency or authority of one or more political subdivisions pursuant to which the City undertakes to make payments measured by the expenses of operating and maintaining any facility which constitutes part of the Airport and which is owned and operated in part by the City and in part by others. “Operating Expenses” does not include any payments on Bonds, Contracts (including continuing commissions or commitment fees, remarketing agent fees, Additional Interest or amounts equivalent to principal on related Bonds) or Other Airport Obligations. “Operating Expenses” are to be calculated on a cash basis rather than on an accrual basis. To the extent Operating Expenses are allocable to particular related facilities, a lien on the portion of Revenues related thereto shall not provide a claim on such Revenues ahead of the use thereof for payment of such allocable Operating Expenses.

**“General Revenues”** means all Revenues other than PFC Revenues, Special Purpose Revenues and Released Revenues.

**“PFC Revenues”** means all income and revenue received by or required to be remitted to the City from the passenger facility charges imposed by the City pursuant to the Aviation Safety and Capacity Expansion Act of 1990, Pub. L. 101-508, Title IX, Subtitle B, §§9110 and 9111, as amended from time to time (“PFC Act”), Part 158 of the Federal Aviation Regulations (14 CFR Part 158), as amended from time to time, and any other regulation issued with respect to the PFC Act (“PFC Regulations”) and the City Ordinance adopted on February 26, 1997, including any interest earned after such charges have been remitted to the City as provided in the PFC Regulations, all of which may be pledged pursuant to the PFC Act and PFC Regulations §158.13; provided, the term “PFC Revenues” also includes any interest or other gain in any of the accounts or subaccounts created in the Master Bond Ordinance or in any Supplemental Ordinance resulting from any investments and reinvestments of PFC Revenues.

**“Special Purpose Revenues”** means Revenues arising from or generated by one or more Special Purpose Facilities (as defined in the Master Bond Ordinance); provided if the consolidated rental car facility described in the First Supplemental Bond Ordinance is designated as a Special Purpose Facility, the related Special Purpose Revenues shall not include any privilege fee or similar charge assessed by the City or the Airport for rental car concessions.

**“Released Revenues”** means particular categories of Revenues which would otherwise be General Revenues or PFC Revenues but have been identified in accordance with Section 505 of the Master Bond Ordinance and therefore do not constitute a part of General Revenues or PFC Revenues, until the City has acted to include such categories of Revenues within General Revenues or PFC Revenues again.

**“1977 Pledged Revenues”** means all revenues generated by the Airport less the reasonable and necessary costs of operating, maintaining and repairing the Airport, including salaries, wages, the cost of materials and supplies, rental of leased property, if any, insurance and

other charges as may be properly made for the purpose of operating, maintaining and repairing the Airport in accordance with sound business practice, but excluding depreciation; provided for purposes of this definition, the term "Airport" shall include facilities designed as "Special Purpose Facilities" under the 1977 Bond Ordinance which are not connected with the general operation of Airport by the City and not designated or intended for use directly in connection with the transportation of passengers, baggage or freight or the furnishing of service in connection with such transportation.

**WHEREAS**, the issuance of the Series 2003RF-A/B/C Bonds triggered the Lien Clarification Date, and the 1977 Ordinance Bonds are secured by a lien on the 1977 Pledged Revenues prior to the Series 2000 Bonds and the Series 2003 Bonds; and

**WHEREAS**, the 1977 Ordinance Bonds, the Series 2000 Bonds, and the Series 2003 Bonds are the only bonded indebtedness outstanding secured by a lien on the General Revenues of the Airport; and

**WHEREAS**, pursuant to an ordinance adopted by the City Council on January 11, 2000, the City approved a capital improvement program of construction, renovation and expansion of the Airport (the "**Capital Improvement Plan**"); and

**WHEREAS**, due to federal requirements, the City is required to provide for the planning, engineering, design, acquisition, equipping and construction of in-line hold baggage screening facilities, a portion of the costs of which (the "**2003 Security Project**") were financed on an interim basis with proceeds of the Series 2003 Notes; and

**WHEREAS**, the City desires to provide for renovations and improvements to concourse C of the passenger terminal to facilitate enplaning and deplaning of regional aircraft (the "**Regional Aircraft Concourse Project**"); and

Jackson, Jr. International Terminal, and (vi) additions and improvements to the existing central passenger terminal complex (the "**2004 Airport Project**" and, together with the 2003 Security Project and the Regional Aircraft Concourse Project, the "**2004 Project**"); and

**WHEREAS**, it has been determined that the most feasible method of raising funds to finance or refinance the 2004 Project, including those portions of the 2004 Project financed on an interim basis by the Series 2003 Notes, to provide for a reasonably required debt service reserve, and to pay expenses relating thereto is for the City to issue its (i) General Airport Revenue Bonds, Series 2004A (the "**Series 2004A Bonds**") and Series 2004B (the "**Series 2004B Bonds**" and, together with the Series 2004A Bonds, the "**Series 2004A/B Bonds**") in an aggregate principal amount not to exceed \$275,000,000, (ii) Airport Passenger Facility Charge and Subordinate Lien General Revenue Bonds, Series 2004C (the "**Series 2004C Bonds**"), Series 2004D (Auction Rate Securities) (the "**Series 2004D Bonds**") and Series 2004E (Auction Rate Securities) (the "**Series 2004E Bonds**" and, together with the Series 2004D Bonds, the "**Series 2004D/E Bonds**"), in an aggregate principal amount not to exceed \$675,000,000 (the Series 2004C Bonds, the Series 2004D Bonds and the Series 2004E Bonds are sometimes collectively referred to as the "**Series 2004C/D/E Bonds**," and, together with the Series 2004A/B Bonds, the "**Series 2004 Bonds**"); and

**WHEREAS**, the Series 2004C/D/E Bonds will be issued in lieu of the Previously Authorized Series 2004 Bonds, and the Previously Authorized Series 2004 Bonds will not be issued; and

**WHEREAS**, the City desires to secure the repayment of the Series 2004A/B Bonds with a senior lien on General Revenues of the Airport, which General Revenues also secure repayment of the 1977 Ordinance Bonds, the Series 2000 Bonds, and the Series 2003 Bonds; and

**WHEREAS**, pursuant to Section 502(b) of the Master Bond Ordinance, Additional Senior Lien Bonds may be issued on a parity with the Series 2000 Bonds and the Series 2003 Bonds as to Lien on the General Revenues pursuant to a Supplemental Bond Ordinance, if the conditions set forth therein are satisfied; and

**WHEREAS**, after extensive study and investigation, the City has determined that the anticipated General Revenues to be received by the City from time to time over the term of the Series 2004A/B Bonds will be sufficient to provide for the payment of the principal of, premium (if any) and interest on the 1977 Ordinance Bonds, the Series 2000 Bonds, the Series 2003 Bonds, and the Series 2004A/B Bonds and any other amounts, charges, fees and expenses payable with respect to the 1977 Ordinance Bonds, the Series 2000 Bonds, the Series 2003 Bonds, and the Series 2004A/B Bonds, as and when the same become due; and

**WHEREAS**, the City has received a report of its airport consultant, Leigh Fisher Associates (the "Airport Consultant"), which is attached hereto as Exhibit B and hereby made a part hereof (the "Report of the Airport Consultant"), that shows that in each fiscal year of the Forecast Period the forecasted Net General Revenues (without consideration of (i) any amounts in the General Revenue Enhancement Subaccount, or (ii) gifts or grants or expenditures of such gifts or grants) are expected to equal at least 130 percent of the Maximum Annual Debt Service Requirement of the Outstanding 1977 Ordinance Bonds, the Series 2000 Bonds, the Series 2003 Bonds and the Series 2004A Bonds hereinafter authorized to be issued; and

**WHEREAS**, prior to the issuance of the Series 2004A/B Bonds, the City will receive a report from an Independent Certified Public Accountant to the effect that the payments required to be made into each account or subaccount of the Sinking Fund have been made and the balance in each account or subaccount of the Sinking Fund is not less than the balance required by the Bond Ordinance as of the date of issuance of the Series 2004A/B Bonds hereinafter authorized to be issued; and

**WHEREAS**, the Series 2004A/B Bonds when issued will be secured on a parity with the Series 2000 Bonds and the Series 2003 Bonds as General Revenue Bonds with a Senior Lien on General Revenues, subject only to the lien on General Revenues securing the 1977 Ordinance Bonds; and

**WHEREAS**, the City expects that the principal of and interest on the Series 2004C/D/E Bonds will be repaid in whole or in part from PFC Revenues to be received by the Airport from time to time, and the City desires to secure the repayment of the Series 2004C/D/E Bonds with a Senior Lien on such PFC Revenues, subject to any prior right to PFC Revenues to which the owners of the 1977 Ordinance Bonds may be entitled; and

**WHEREAS**, to provide additional security for the Series 2004C/D/E Bonds and in that way to enhance the marketability of the Series 2004C/D/E Bonds, the City desires to secure the repayment of the Series 2004C/D/E Bonds with a Subordinate Lien on General Revenues, and the Lien on General Revenues securing the Series 2004C/D/E Bonds will be subordinate to the Lien on General Revenues securing the 1977 Ordinance Bonds, the Series 2000 Bonds, the Series 2003 Bonds and the Series 2004A/B Bonds; and

**WHEREAS**, pursuant to Sections 502(b) and 504(c) of the Master Bond Ordinance, Additional Bonds may be issued as Hybrid Bonds with a Senior Lien on PFC Revenues if the conditions set forth therein are satisfied; and

**WHEREAS**, pursuant to Section 504(c) of the Master Bond Ordinance, Additional Bonds may be issued as Hybrid Bonds with a Subordinate Lien on General Revenues if the conditions set forth therein are satisfied; and

**WHEREAS**, after extensive study and investigation, the City has determined that the anticipated PFC Revenues to be received by the City from time to time will be sufficient to provide for the payment of the principal of, premium (if any) and interest on the Series 2004C/D/E Bonds and any other amounts, charges, fees and expenses payable with respect to the Series 2004C/D/E Bonds, as and when the same become due; and

**WHEREAS**, a category or portion of revenues, income, receipts and money relating to a definable service, facility or program of the Airport may be withdrawn from General Revenues or PFC Revenues, including for PFC Revenues amounts authorized to be charged and actually charged in excess of a particular dollar amount, and thereafter treated as Released Revenues for all purposes, including the security for Released Revenue Bonds, if certain conditions are met; and

**WHEREAS**, it is proposed that the City should amend the Master Bond Ordinance to establish debt service coverage tests for purposes of Section 502(b) of the Master Bond Ordinance, and Section 1001(k) of the Master Bond Ordinance permits the modification of the Master Bond Ordinance in connection with the issuance of Additional Bonds or Subordinate Lien Bonds, and such modification may deal with any subjects and make any provisions relating to the Additional Bonds or Subordinate Lien Bonds which the City deems necessary or desirable for that purpose; and

**WHEREAS**, it is further proposed that the City should amend the Master Bond Ordinance to establish a percentage of Maximum Annual Debt Service Requirements for purposes of Section 505(a)(1) of the Master Bond Ordinance (relating to Released PFC Revenues) simultaneously with the issuance of the Series 2004C/D/E Bonds, and Section 1001(m) of the Master Bond Ordinance permits the modification of the Master Bond Ordinance as may be deemed necessary for the City to accommodate the issuance of PFC Revenue Bonds; and

**WHEREAS**, to ensure compliance with Securities and Exchange Commission Rule 15c2-12, it is necessary and desirable to authorize the execution and delivery by the City of a continuing disclosure certificate with respect to the Series 2004 Bonds, pursuant to which the City will agree to provide notices of certain events and to submit annually certain financial information and operating data to specified information repositories; and

**WHEREAS**, prior to the actual issuance and delivery of the Series 2004 Bonds, the City will adopt a Supplemental Resolution that will set forth, among other things, the aggregate principal amount of the Series 2004 Bonds to be issued, the interest rate or rates that the Series 2004 Bonds of each Series will bear, the principal amount to mature in each year and the maturities of the Series 2004 Bonds of each series which will be designated as term bonds and subject to mandatory redemption and the terms of any bond insurance policy to be issued with respect to the Series 2004 Bonds of each series; and

The Series 2000 Bonds and the Series 2003 Bonds are General Revenue Bonds (as defined in the Bond Ordinance) secured by a Senior Lien on the General Revenues (as defined in the Bond Ordinance) of the Airport, subject in right of payment to certain prior airport revenue bonds of the City (the "1977 Ordinance Bonds"). The General Revenues include generally all revenues arising from the ownership or operation of the Airport, but specifically excluding "PFC Revenues" (revenues received by or required to be remitted to the City from the passenger facility charges imposed by the City pursuant to the Aviation Safety and Capacity Expansion Act of 1990), "Special Purpose Revenues" (revenues arising from or generated by one or more Special Purpose Facilities (as defined in the Bond Ordinance)), and "Released Revenues" (particular revenues identified by the City in accordance with the provisions of the Bond Ordinance).

Concurrently with the issuance of the Series 2004[A or B] Bonds, pursuant to the Seventh Supplemental Bond Ordinance the City is issuing and delivering \$\_\_\_\_\_ aggregate principal amount of its General Revenue Bonds, Series 2004[A or B] (the "Series 2004[A or B] Bonds" and, together with the Series 2004[A or B] Bonds, the "Series 2004A/B Bonds"). The Series 2004A/B Bonds are secured on a parity with the Series 2000 Bonds and the Series 2003 Bonds by a senior lien on the General Revenues of the Airport, subject only to the payment of the 1977 Ordinance Bonds. Pursuant to the Bond Ordinance, upon compliance with certain conditions, the City may (i) issue additional revenue bonds secured on a parity with the Series 2000 Bonds, the Series 2003 Bonds and the Series 2004A/B Bonds, (ii) issue additional revenue bonds secured on a subordinate basis to payment from the same revenues securing the Series 2000 Bonds, the Series 2003 Bonds and the Series 2004A/B Bonds, (iii) issue additional revenue bonds secured by revenues different from the revenues securing the Series 2000 Bonds, the Series 2003 Bonds and the Series 2004A/B Bonds, (iv) issue additional revenue bonds secured by a combination of (i) and (iii) or (ii) and (iii), (v) release from the revenues securing the Series 2000 Bonds, the Series 2003 Bonds and the Series 2004A/B Bonds a defined category of revenues which will no longer secure the Series 2000 Bonds, the Series 2003 Bonds and the Series 2004A/B Bonds either (1) to secure additional revenue bonds or (2) to be sold, leased, loaned or otherwise transferred to another party or (vi) grant a lien securing other obligations on a parity with or on a subordinate basis to the Series 2000 Bonds, the Series 2003 Bonds and the Series 2004A/B Bonds. All such additional bonds, the 1977 Ordinance Bonds, the Series 2000 Bonds, the Series 2003 Bonds and the Series 2004A/B Bonds are hereinafter referred to as the "General Revenue Bonds."

The City has covenanted and hereby covenants and agrees at all times while any General Revenue Bonds are outstanding and unpaid to prescribe, fix, maintain, and collect rates, fees, and other charges for the services and facilities of the Airport to: (i) provide for 100 percent of the Operating Expenses of the Airport (except for certain specific facilities) and for the accumulation in the Revenue Fund, as defined in the Bond Ordinance, of a reasonable reserve therefor, and (ii) produce Net General Revenues, as defined in the Bond Ordinance, in each Fiscal Year, as defined in the Bond Ordinance, which will: (a) equal at least 120 percent (110 percent without regard to amounts in the General Revenue Enhancement Subaccount) of the debt service requirement of all 1977 Ordinance Bonds and General Revenue Bonds, including the Series 2004A/B Bonds, (b) enable the City to make all payments required to come from General Revenues into any Debt Service Reserve Account and the Rebate Account and on Contracts or Other Airport Obligations, as each is defined in the Bond Ordinance, (c) enable the City to

This Series 2004[D or E] Bond is one of a series of airport revenue bonds in the aggregate principal amount of \$ \_\_\_\_\_ duly authorized and designated "City of Atlanta Airport Passenger Facility Charge and Subordinate Lien General Revenue Bonds, Series 2004[D or E] (Auction Rate Securities)" all of like tenor, except as to series designation, authentication dates, numbers, denominations, interest rates and maturities. The Series 2004[D or E] Bonds are issued by the City pursuant to the Constitution and laws of the State of Georgia, including specifically, but without limitation, Article 3 of Chapter 82 of Title 36 of the Official Code of Georgia Annotated, as amended, known as the "Revenue Bond Law," the Charter of the City of Atlanta, as amended, and the Restated and Amended Master Bond Ordinance adopted March 20, 2000 by the City, as amended and supplemented by a First Supplemental Bond Ordinance adopted by the City on March 30, 2000, a Second Supplemental Bond Ordinance of the City adopted on October 7, 2002, a Amended and Restated Third Supplemental Bond Ordinance of the City adopted on May 19, 2003, a Fourth Supplemental Bond Ordinance of the City adopted on June 2, 2003, a Fifth Supplemental Bond Ordinance duly adopted by the City on September 15, 2003, a Sixth Supplemental Bond Ordinance duly adopted by the City on November 17, 2003, and the Seventh Supplemental Bond Ordinance (collectively, the "Bond Ordinance"), for the purpose of providing funds to finance or refinance all or a portion of the costs of acquiring, construction, installing and equipping certain improvements and additions to the City's Hartsfield-Jackson Atlanta International Airport (the "Airport"), including certain improvements and additions financed on an interim basis by the City's Airport Limited Obligation Bond Anticipation Notes, Series 2003, outstanding in the aggregate principal amount of \$395,000,000, to provide for a reasonably required debt service reserve and to pay expenses necessary to accomplish the foregoing.

Pursuant to the Bond Ordinance, the City has heretofore issued and delivered \$711,880,000 original aggregate principal amount of its Airport General Revenue and Refunding Bonds, Series 2000A (the "Series 2000A Bonds"), \$201,995,000 original aggregate principal amount of its Airport General Revenue Bonds, Series 2000B (the "Series 2000B Bonds"), \$96,400,000 original aggregate principal amount of its Airport General Revenue Refunding Bonds, Series 2000C (the "Series 2000C Bonds" and, together with the Series 2000A Bonds and the Series 2000B Bonds, the "Series 2000 Bonds"), \$86,055,000 original aggregate principal amount of its Airport General Revenue Refunding Bonds, Series 2003 RF-A, \$490,700,000 original aggregate principal amount of its Variable Rate Airport General Revenue Refunding Bonds, Series 2003 RF-B-1, 2003 RF-B-2, 2003 RF-B-3, 2003 RF-C-1, 2003 RF-C-2 and 2003 RF-C-3 (collectively, the "Series 2003RF-A/B/C Bonds") and \$118,270,000 original aggregate principal amount Airport General Revenue Refunding Bonds, Series 2003 RF-D (the "Series 2003 RF-D Bonds," and together with the Series 2003RF-A Bonds and the Series 2003RF-A/B/C Bonds, the "Series 2003 Bonds"). The Series 2000 Bonds and the Series 2003 Bonds are General Revenue Bonds (as defined in the Bond Ordinance) secured by a senior lien on the General Revenues (as defined in the Bond

Ordinance) of the Airport. Concurrently with the issuance and delivery of the Series 2004[D or E] Bonds, the City is issuing and delivering \$\_\_\_\_\_ aggregate principal amount of its General Airport Revenue Bonds, Series 2004A and Series 2004B (the "Series 2004A/B Bonds") which will rank on a parity with the Series 2000 Bonds and the Series 2003 Bonds by a senior lien on the General Revenues of the Airport, subject in right of payment to certain prior airport revenue bonds of the City (the "1977 Ordinance Bonds").

The Series 2004[D or E] Bonds are Hybrid Bonds (as defined in the Bond Ordinance) and are secured by a senior lien on PFC Revenues (as defined in the Bond Ordinance) and by a lien on Airport General Revenues subordinate to the lien securing the Series 2000 Bonds, the Series 2003 Bonds, the Series 2004A/B Bonds, and the 1977 Ordinance Bonds. Concurrently with the issuance of the Series 2004[D or E] Bonds, pursuant to the Seventh Supplemental Bond Ordinance the City is issuing and delivering \$\_\_\_\_\_ aggregate principal amount of its Airport Passenger Facility Charge and Subordinate Lien General Revenue Bonds, Series 2004C (the "Series 2004C Bonds") and \$\_\_\_\_\_ aggregate principal amount of its Airport Passenger Facility Charge and Subordinate Lien General Revenue Bonds, Series 2004[D or E] (Auction Rate Securities) (the "Series 2004[D or E] Bonds" and, together with the Series 2004C Bonds and the Series 2004[D or E] Bonds, the "Series 2004C/D/E Bonds"), and the lien of the Series 2004C Bonds and the Series 2004[D or E] Bonds on PFC Revenues and General Revenues is on a parity with the lien on such revenues securing the Series 2004[D or E] Bonds. Pursuant to the Bond Ordinance, upon compliance with certain conditions, the City may (i) issue additional revenue bonds secured on a parity with the Series 2004C/D/E Bonds, (ii) issue additional revenue bonds secured on a subordinate basis to payment from the same revenues securing the Series 2004C/D/E Bonds, (iii) issue additional revenue bonds secured by revenues different from the revenues securing the Series 2004C/D/E Bonds, (iv) issue additional revenue bonds secured by a combination of (i) and (iii) or (ii) and (iii), (v) release from the revenues securing the Series 2004C/D/E Bonds a defined category of revenues which will no longer secure the Series 2004C/D/E Bonds either (1) to secure additional revenue bonds or (2) to be sold, leased, loaned or otherwise transferred to another party or (vi) grant a lien securing other obligations on a parity with or on a subordinate basis to the Series 2004C/D/E Bonds. In addition, pursuant to the Bond Ordinance the City may, without the consent of or notice to the owners of the Series 2004C/D/E Bonds, issue additional revenue bonds or other obligations secured on a parity basis as to lien on the General Revenues of the Airport with the Series 2000 Bonds, the Series 2003 Bonds, the Series 2004A/B Bonds and the 1977 Ordinance Bonds, which additional bonds or obligations, if issued, will rank in right of payment and as to lien on the General Revenues of the Airport senior to the lien on such revenues securing the Series 2004C/D/E Bonds.

The City has covenanted and hereby covenants and agrees at all times while any Bonds are outstanding and unpaid to prescribe, fix, maintain, and collect rates, fees, and other charges for the services and facilities of the Airport to: (i) provide for 100 percent of the Operating Expenses of the Airport (except for certain specific facilities) and for the accumulation in the Revenue Fund, as defined in the Bond Ordinance, of a reasonable reserve therefor, and (ii) produce Net General Revenues, as defined in the Bond Ordinance, in each Fiscal Year, as defined in the Bond Ordinance, which will: (a) equal at least 120 percent (110 percent without regard to amounts in the General Revenue Enhancement Subaccount) of the debt service requirement of all 1977 Ordinance Bonds and General Revenue Bonds, as defined in the Bond Ordinance, and all Subordinate Lien Bonds having a lien on General Revenues, (b) enable the City to make all payments required to come from Net General Revenues into any Debt Service Reserve Account and the Rebate Account and on Contracts or Other Airport Obligations, as each is defined in the Bond Ordinance, (c) enable the City to accumulate an amount to be held in the Renewal and Extension Fund, as defined in the Bond Ordinance, which in the judgment of the City is adequate to meet the costs of major renewals, replacements, repairs, additions, betterments, and improvements to the Airport, necessary to keep the same in good operating condition or as is required by any governmental agency having jurisdiction over the Airport, and (d) with other revenues, remedy all deficiencies in

required payments into any of the funds and accounts mentioned in the Bond Ordinance from prior Fiscal Years. The City has covenanted and hereby covenants and agrees at all times while any Bonds are outstanding and unpaid to prescribe, fix, maintain, and collect PFC Revenues which will equal at least 100 percent, without regard to amounts in the PFC Revenue Enhancement Subaccount, of the debt service requirement of PFC Revenue Bonds, as defined in the Bond Ordinance, including the Series 2004[D or E] Bonds. In determining the debt service requirement of Hybrid Bonds, such as the Series 2004[D or E] Bonds, for purposes of this paragraph: (i) if the debt service on such Hybrid Bonds for the relevant period was paid from, or for future periods is expected to be paid from, General Revenues, such debt service will be taken into account in determining the debt service requirement of General Revenue Bonds only and will not be taken into account in determining the debt service requirement of PFC Revenue Bonds, notwithstanding the lien of such Hybrid Bonds on PFC Revenues; and (ii) if the debt service on such Hybrid Bonds for the relevant period was paid from, or for future periods is expected to be paid from, PFC Revenues, such debt service will be taken into account in determining the debt service requirement of PFC Revenue Bonds only and will not be taken into account in determining the debt service requirement of General Revenue Bonds, notwithstanding the lien of such Hybrid Bonds on General Revenues.

**THE SERIES 2004[D or E] BONDS SHALL NOT BE DEEMED TO CONSTITUTE A DEBT OF THE CITY NOR A PLEDGE OF THE FAITH AND CREDIT OF THE CITY. THE SERIES 2004[D or E] BONDS SHALL NOT BE PAYABLE FROM OR BE A CHARGE UPON ANY FUNDS OTHER THAN THE REVENUES AND AMOUNTS PLEDGED TO THE PAYMENT THEREOF, NOR SHALL THE CITY BE SUBJECT TO ANY PECUNIARY LIABILITY THEREON. NO OWNER OR OWNERS OF THIS SERIES 2004[D or E] BOND SHALL EVER HAVE THE RIGHT TO COMPEL ANY EXERCISE OF THE TAXING POWER OF THE CITY TO PAY THIS SERIES 2004[D or E] BOND OR THE INTEREST HEREON, NOR TO ENFORCE PAYMENT OF THIS SERIES 2004[D or E] BOND AGAINST ANY PROPERTY OF THE CITY; NOR SHALL THIS SERIES 2004[D or E] BOND CONSTITUTE A CHARGE, LIEN, OR ENCUMBRANCE, LEGAL OR EQUITABLE, UPON ANY PROPERTY OF THE CITY, EXCEPT FOR THE PLEDGED REVENUES AND ANY OTHER FUNDS PLEDGED TO SECURE THE PAYMENT OF THE SERIES 2004[D or E] BONDS.**

No covenants, stipulations, obligations or agreements of any officer, agent, attorney or employee of the City shall be deemed to be covenants, stipulations, obligations or agreements of any such officer, agent, attorney or employee, past or present, in his individual capacity. No recourse shall be had for the payment of the Series 2004[D or E] Bonds or any claim thereon against any member, director, officer, agent, attorney or employee of the City, past, present or future.

The person in whose name this Series 2004[D or E] Bond is registered on the registration books kept by the Bond Registrar shall be deemed to be the owner of this Series 2004[D or E] Bond for all purposes. The Series 2004[D or E] Bonds are being issued by means of a book-entry system, with actual Series 2004[D or E] Bonds immobilized at The Depository Trust Company, New York, New York (the "Securities Depository"), or its successor as Securities Depository, evidencing ownership of the Series 2004[D or E] Bonds in Authorized Denominations (hereinafter defined), and with transfers of beneficial ownership effected on the records of the Securities Depository and its participants pursuant to the rules and procedures established by the Securities Depository. Actual Series 2004[D or E] Bonds are not available for distribution to the owners of beneficial interests in the Series 2004[D or E] Bonds registered in book-entry form (the "Beneficial Owners"), except under the limited circumstances set forth in the Bond Ordinance. The principal, redemption premium (if any) and interest on the Series 2004[D or E] Bonds are payable by the Paying Agent to Cede & Co., as nominee of the Securities Depository. Transfers of principal, redemption premium (if any) and interest payments to participants of the Securities Depository is the responsibility of the Securities Depository and transfers of principal, redemption

premium (if any) and interest to Beneficial Owners of the Series 2004[D or E] Bonds by participants of the Securities Depository will be the responsibility of such participants and other nominees of Beneficial Owners. Neither the City nor the Bond Registrar and Paying Agent is responsible or liable for maintaining, supervising or reviewing the records maintained by the Securities Depository, its participants or persons acting through such participants. If the Series 2004[D or E] Bonds are no longer registered to a Securities Depository or its nominee, this Series 2004[D or E] Bond may be registered as transferred only upon the registration books kept for that purpose at the principal corporate trust office of the Bond Registrar by the registered owner hereof in person, or by his or her attorney duly authorized in writing, upon presentation and surrender to the Bond Registrar of this Series 2004[D or E] Bond duly endorsed for registration of transfer or accompanied by an assignment duly executed by the registered owner or his or her attorney duly authorized in writing, and thereupon a new registered bond, in the same aggregate principal amount and of the same maturity, shall be issued to the transferee in exchange therefor. In addition, if the Series 2004[D or E] Bonds are no longer registered to a Securities Depository, this Series 2004[D or E] Bond may be exchanged by the registered owner hereof or his or her duly authorized attorney upon presentation at the principal corporate trust office of the Bond Registrar for an equal aggregate principal amount of Series 2004[D or E] Bonds of the same maturity and in any Authorized Denominations in the manner, subject to the conditions and upon payment of charges, if any, provided in the Bond Ordinance.

The Series 2004[D or E] Bonds are issuable in the form of fully registered bonds in Authorized Denominations (as defined in the Seventh Supplemental Bond Ordinance) and may be exchanged by the registered owner hereof or his duly authorized attorney upon presentation at the principal corporate trust office of the Bond Registrar for an equal aggregate principal amount of Series 2004[D or E] Bonds of the same maturity and series and in any authorized denominations in the manner, subject to the conditions and upon payment of charges, if any, provided in the Bond Ordinance.

The Series 2004[D or E] Bonds shall bear interest at the "Auction Rate" from time to time determined for the Series 2004[D or E] Bonds as provided in the Seventh Supplemental Bond Ordinance. At no time shall the Series 2004[D or E] Bonds bear interest at a rate higher than the Maximum Interest Rate as provided in the Seventh Supplemental Bond Ordinance.

The Series 2004[D or E] Bonds may not be called for optional redemption prior to January 1, 200\_. The Series 2004[D or E] Bonds maturing on or after January 1, 20\_\_ may be redeemed prior to their respective maturities at the option of the City, either in whole or in part at any time not earlier than January 1, 20\_\_, in the manner and subject to the provisions of the Bond Ordinance, at the respective redemption prices (expressed as percentages of the principal amount) set forth below, together with accrued interest to the redemption date:

Redemption Dates  
(both dates inclusive)

Redemption Price

If less than all of the Series 2004[D or E] Bonds of a maturity shall be called for redemption, the particular bonds or portions thereof to be redeemed shall be selected by lot in such manner as may be designated by the Bond Registrar.

Notice of redemption, unless waived, is to be given by first class mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the registered owner of each Series 2004[D or

E] Bond to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owner to the Bond Registrar. All such Series 2004[D or E] Bonds called for redemption and for the retirement of which funds are duly provided shall, on the redemption date designated in such notice, become and be due and payable at the redemption price provided for redemption of such Series 2004[D or E] Bonds on such date, and interest on the Series 2004[D or E] Bonds or portions of Series 2004[D or E] Bonds so called for redemption shall cease to accrue, such Series 2004[D or E] Bonds or portions of Series 2004[D or E] Bonds shall cease to be entitled to any lien, benefit, or security under the Bond Ordinance, and the owners of such Series 2004[D or E] Bonds or portions of Series 2004[D or E] Bonds shall have no rights in respect thereof except to receive payment of the redemption price. The Bond Ordinance permits optional redemptions as described above to be conditioned on the occurrence of particular events and, if a redemption is so conditioned, the notice thereof will specify the terms of such conditional redemption. Any defect in any notice of redemption shall not affect the validity of proceedings for the redemption of any Series 2004[D or E] Bonds.

The Bond Ordinance contains a more particular statement of the covenants and provisions securing the Series 2004[D or E] Bonds, the conditions under which the owner of this Series 2004[D or E] Bond may enforce covenants (other than the covenant to pay principal of and interest on this Series 2004[D or E] Bond when due from the sources provided, the right to enforce which is unconditional), the conditions upon which additional revenue bonds may be issued on a parity or achieve parity status with this Series 2004[D or E] Bond under the Bond Ordinance, and the conditions upon which the Bond Ordinance may be amended or supplemented. Upon the occurrence of an Event of Default under the Bond Ordinance, the owner of this Series 2004[D or E] Bond shall be entitled to the remedies provided by the Bond Ordinance and the Revenue Bond Law.

It is hereby certified, recited, and declared that all acts, conditions, and things required by the Constitution and the laws of the State of Georgia to exist, happen, and be performed precedent to and in the issuance of this Series 2004[D or E] Bond and the adoption of the Bond Ordinance do exist, have happened, and have been performed in due time, form, and manner as required by law.

IN WITNESS WHEREOF, the City has caused this Series 2004[D or E] Bond to be executed by the manual [facsimile] signature of its Mayor and has caused the official seal of the City to be impressed on this Series 2004[D or E] Bond and attested by the manual [facsimile] signature of its Municipal Clerk, as of \_\_\_\_\_, 2004.

### **Section 3.7. Optional and Mandatory Redemption of Series 2004C/D/E Bonds.**

The Series 2004C/D/E Bonds shall be subject to optional and mandatory redemption as determined by the Finance Officer during the pricing of such Bonds, as approved in the Supplemental Ordinance.

**ARTICLE IV.**  
**PROVISIONS RELATING TO ADDITIONAL BONDS**

**Section 4.1. Additional PFC Revenue Bonds.**

(a) After the issuance of the first to be issued and delivered of the Series 2004C/D/E Bonds, no PFC Revenue Bonds having a Senior Lien on PFC Revenues may be issued, unless such PFC Revenue Bonds are issued as Hybrid Bonds having, in addition to a Senior Lien on PFC Revenues, a Subordinate Lien on General Revenues in compliance with the terms of Section 4.2 of this Seventh Supplemental Bond Ordinance. The City expressly reserves the right to issue additional PFC Revenue Bonds having a Subordinate Lien on PFC Revenues in accordance with the provisions of Section 503 of the Master Bond Ordinance without complying with Section 4.2 of this Seventh Supplemental Bond Ordinance.

(b) All Hybrid Bonds having a Senior Lien on PFC Revenues shall comply with Subsections (2), (3), (4), (5), (6) and (7) of Section 505(b) of the Master Bond Ordinance, as well as the following additional conditions:

(1) There shall have been procured and filed with the City either:

(A) a report by an Independent Certified Public Accountant to the effect that historical Net Revenues consisting of PFC Revenues for each of the two most recent audited Fiscal Years were equal to at least 120 percent of the Maximum Annual Debt Service Requirement of all Hybrid Bonds having a Senior Lien on PFC Revenues (excluding, for this purpose, the Debt Service Requirement of all Hybrid Bonds having a Senior Lien on PFC Revenues to the extent such Debt Service Requirement was actually paid from General Revenues for each such Fiscal Year, as shown in such report) which will be Outstanding immediately after the issuance of the proposed Additional Bonds and secured on a parity therewith; or

(B) a report by an Airport Consultant to the effect that in each Fiscal Year of the Forecast Period forecasted PFC Revenues are expected to equal at least 130 percent of the Maximum Annual Debt Service Requirement of all Hybrid Bonds having a Senior Lien on PFC Revenues (excluding, for this purpose, the Debt Service Requirement of all Hybrid Bonds having a Senior Lien on PFC Revenues to the extent the Debt Service Requirement of such Hybrid Bonds is expected to be paid from General Revenues for each year of the Forecast Period, as shown on in such report) which will be Outstanding immediately after the issuance of the proposed Additional Bonds and secured on a parity therewith.

In computing PFC Revenues, the City may take into account pro forma adjustments to historical PFC Revenues equal to 100 percent of the increased PFC Revenues attributable to any increase in the passenger facility charge imposed prior to the date of delivery of the proposed Additional Bonds and not fully reflected in the historical PFC Revenues actually received during such historical period used. Such pro forma adjustments, if any, shall be based upon a report of an Airport Consultant as to the amount of PFC Revenues which would have been received during such period had the increased passenger facility charge been in effect throughout such period.

**Section 4.2. Additional Subordinate Lien Bonds.**

(a) Additional Subordinate Lien Bonds may be issued ranking as to lien on the General Revenues on a parity with the Series 2004C/D/E Bonds in accordance with Section 503 of the Master Bond Ordinance, but only if the following additional conditions are met:

(1) There shall have been procured and filed with the City either:

(A) a report by an Independent Certified Public Accountant to the effect that historical Net General Revenues (for this purpose, without consideration of (i) amounts in the General Revenue Enhancement Subaccount, or (ii) gifts or grants or expenditures of such gifts or grants) for each of the two most recent audited Fiscal Years, were equal to at least 120 percent of the Maximum Annual Debt Service Requirement of all related Senior Lien Bonds which will be Outstanding immediately after the issuance of the proposed Additional Bonds, all Outstanding 1977 Ordinance Bonds and all outstanding Subordinate Lien Bonds which will be Outstanding immediately after the issuance of the proposed Additional Bonds and secured on a parity therewith (excluding, for this purpose, the Debt Service Requirement of all Hybrid Bonds having a Subordinate Lien on General Revenues to the extent the Debt Service Requirement of such Subordinate Lien Bonds was actually paid from PFC Revenues for each such Fiscal Year, as shown in such report); or

(B) a report by an Airport Consultant to the effect that in each Fiscal Year of the Forecast Period the forecasted Net General Revenues (without consideration of (i) any amounts in the General Revenue Enhancement Subaccount, or (ii) gifts or grants or expenditures of such gifts or grants) are expected to equal at least 130 percent of the Maximum Annual Debt Service Requirement of all Senior Lien Bonds which will be Outstanding immediately after the issuance of the proposed Additional Bonds, all Outstanding 1977 Ordinance Bonds and all outstanding Subordinate Lien Bonds which will be Outstanding immediately after the issuance of the proposed Additional Bonds and secured on a parity therewith (excluding, for this purpose, the Debt Service Requirement of all Hybrid Bonds having a Subordinate Lien on General Revenues to the extent the Debt Service Requirement of such Hybrid Bonds is expected to be paid from PFC Revenues for each year of the Forecast Period, as shown in such report).

The report by the Independent Certified Public Accountant that is required by (1)(A) may contain pro forma adjustments to historical Net General Revenues equal to 100 percent of the increased annual amount attributable to any revision in the schedule of rates, fees, and charges for the services and facilities furnished by the Airport, imposed prior to the date of delivery of the proposed Additional Bonds and not fully reflected in the historical Net General Revenues actually received during such historical period used. For purposes of this Section 4.4 and Section 505(a)(1) of the Master Bond Ordinance, "Debt Service Requirement" of PFC Revenue Bonds shall be computed in accordance with Section 4.3 above.

### **ARTICLE V. PROVISIONS RELATING TO ALL SERIES 2004 BONDS**

#### **Section 5.1. Registration, Transfer and Exchange.**

Wachovia Bank, National Association is hereby designated as the paying agent (the "**Paying Agent**") and bond registrar (the "**Bond Registrar**") for the Series 2004 Bonds. Subject to Section 6.1 of this Seventh Supplemental Bond Ordinance, the Bond Registrar will keep the bond registration book for registration of the Series 2004 Bonds and for registration of transfers of the Series 2004 Bonds in the event the Series 2004 Bonds are not held in book-entry form. The transfer of any Series 2004 Bond will be registered upon the bond registration book upon the surrender and presentation of the Series 2004 Bond to the Bond Registrar duly endorsed for transfer or accompanied by an assignment duly executed by the registered owner or attorney authorized in writing in form satisfactory to the Bond Registrar. Upon any such registration of transfer, the Bond Registrar will authenticate and deliver in exchange for such Series 2004 Bond so surrendered, a new Series 2004 Bond registered in the name of the transferee or transferees of the same maturity, interest rate, aggregate principal amount, and tenor, of any authorized denomination or denominations, and bearing numbers not then outstanding. Series 2004 Bonds may be exchanged at the principal corporate trust office of the Bond Registrar for a like aggregate principal amount of Series 2004 Bonds of other authorized denominations and bearing numbers not then outstanding. The City will cause to be executed and the Bond Registrar will authenticate and deliver Series 2004 Bonds which the bondholder making the exchange is entitled to receive. In any exchange or transfer of registration of any Series 2004 Bond, the owner of such Series 2004 Bond will not be required to pay any charge or fee. If any Series 2004 Bond is mutilated, lost, stolen or destroyed, the City may execute and deliver a new Series 2004 Bond of the same aggregate principal amount and tenor in lieu of and in substitution for the Series 2004 Bond mutilated, lost, stolen or destroyed. All other provisions with respect to the Bond Registrar and Paying Agent shall be governed by Article II of the Master Bond Ordinance.

#### **Section 5.2. Book Entry System of Registration.**

The following provisions shall apply to Series 2004 Bonds held in a book-entry system of registration:

(a) Upon the initial issuance, the ownership of each Series 2004 Bond shall be registered in the name of the Securities Depository or the Securities Depository Nominee, and ownership thereof shall be maintained in Book Entry Form by the Securities Depository for the account of the Agent Members thereof. Initially, the Series 2004 Bonds shall be registered in the name of Cede & Co., as the nominee of The Depository Trust Company. Beneficial Owners will not receive Series 2004 Bonds from the Bond Registrar evidencing their ownership interests. Except as provided in subparagraph (c) below, the Series 2004 Bonds may be transferred, in whole but not in part, only to the Securities Depository or the

Securities Depository Nominee, or to a successor Securities Depository selected or approved by the City or to a nominee of such successor Securities Depository.

(b) With respect to Series 2004 Bonds registered in the name of the Securities Depository or the Securities Depository Nominee, neither the City, the Bond Registrar nor the Paying Agent shall have any responsibility or obligation to any Agent Member or Beneficial Owner. Without limiting the foregoing, neither the City, the Bond Registrar nor the Paying Agent shall have any responsibility or obligation with respect to:

(i) the accuracy of the records of the Securities Depository, the Securities Depository Nominee or any Agent Member with respect to any Beneficial Ownership interest in the Series 2004 Bonds;

(ii) the delivery to any Agent Member, any Beneficial Owner or any other person, other than the Securities Depository or the Securities Depository Nominee, of any notice with respect to the Series 2004 Bonds; or

(iii) the payment to any Agent Member, any Beneficial Owner or any other person, other than the Securities Depository or the Securities Depository Nominee, of any amount with respect to the principal of or interest on the Series 2004 Bonds.

So long as any Series 2004 Bonds are registered in Book Entry Form, the City, the Bond Registrar and the Paying Agent may treat the Securities Depository as, and deem the Securities Depository to be, the absolute owner of such Series 2004 Bonds for all purposes whatsoever, including without limitation:

(i) the payment of principal and interest on such Series 2004 Bonds;

(ii) registering transfers with respect to such Series 2004 Bonds; and

(iii) voting and obtaining consents under the Bond Ordinance.

So long as any Series 2004 Bonds are registered in Book Entry Form, the Paying Agent shall pay all principal of and interest on the Series 2004 Bonds only to the Securities Depository or the Securities Depository Nominee as shown in the Bond Register, and all such payments shall be valid and effective to fully discharge the City's obligations with respect to payment of principal of and interest on the Series 2004 Bonds to the extent so paid.

(c) If at any time (i) the City determines that the Securities Depository is incapable of discharging its responsibilities described herein, (ii) if the Securities Depository notifies the City or the Paying Agent that it is unwilling or unable to continue as Securities Depository with respect to the Series 2004 Bonds, or (iii) if the Securities Depository shall no longer be registered or in good standing under the Securities Exchange Act of 1934 or other applicable statute or regulation and a successor Securities Depository is not appointed by the City within 90 days after the City receives notice or becomes aware of such condition, as the case may be, then the provisions of these subparagraphs (a) and (b) shall no longer be applicable and the City shall execute and the Bond Registrar shall authenticate and deliver certificated bonds to the Beneficial Owners. The Series 2004 Bonds issued pursuant to this subparagraph (c) shall be registered in such names and authorized denominations as the Securities Depository, pursuant to instructions from the Agent Member or otherwise, shall instruct the Bond Registrar. Upon exchange, the Bond Registrar shall authenticate and deliver the certificated Series 2004 Bonds to the persons in whose

names such Series 2004 Bonds are so registered on the Business Day immediately preceding the date of such exchange.

(d) For purposes of the foregoing paragraphs (a) through (c), the following definitions shall apply:

(i) **"Beneficial Owner"** shall mean the owners of a beneficial interest in the Series 2004 Bonds registered in Book Entry Form.

(ii) **"Book Entry Form"** or **"Book Entry System"** shall mean, with respect to the Series 2004 Bonds, a form or system, as applicable, under which (i) the ownership of beneficial interests in the Series 2004 Bonds and bond service charges may be transferred only through book entry and (ii) physical Series 2004 Bonds in fully registered form are registered only in the name of a Securities Depository or its nominee as holder, with physical Series 2004 Bonds in the custody of a Securities Depository.

(iii) **"Securities Depository"** means any securities depository that is a "clearing corporation" within the meaning of the New York Uniform Commercial Code and a "clearing agency" registered pursuant to provisions of Section 17A of the Securities Exchange Act of 1934, operating and maintaining, with its participants or otherwise, a Book Entry System to record ownership of beneficial interest in bonds and bond service charges, and to effect transfers of bonds in Book Entry Form, and means, initially, The Depository Trust Company (a limited purpose trust company), New York, New York.

(iv) **"Securities Depository Nominee"** means any nominee of a Securities Depository and shall initially mean Cede and Co., New York, New York, as nominee of The Depository Trust Company.

### **Section 5.3. Covenants With Respect to Arbitrage.**

The City hereby covenants and agrees that it will not, subsequent to the date of the issuance of the Series 2004 Bonds, intentionally use any portion of the proceeds of the Series 2004 Bonds to acquire higher yielding investments or to replace funds which were used directly or indirectly to acquire higher yielding investments, except as may be otherwise permitted by Section 148 of the Internal Revenue Code of 1986, as amended (the **"Code"**) and that it will comply with, and take such action and make such payments as may be permitted or required by, Section 148(f) of the Code, to ensure that the Series 2004 Bonds do not constitute "arbitrage bonds" within the meaning of Section 148(a) of the Code. The Mayor and the Municipal Clerk of the City are hereby authorized and directed to execute, for and on behalf of the City, a certification, based upon facts, estimates and circumstances as to the reasonable expectations regarding the amount, expenditure and use of the proceeds derived from the sale of the Series 2004 Bonds of this issue, as well as such other documents as may be necessary or desirable in connection with the issuance and delivery of the Series 2004 Bonds.

### **Section 5.4. Limited Obligation.**

**THE SERIES 2004 BONDS SHALL NOT BE DEEMED TO CONSTITUTE A DEBT OF THE CITY NOR A PLEDGE OF THE FAITH AND CREDIT OF THE CITY. THE SERIES 2004 BONDS SHALL NOT BE PAYABLE FROM OR BE A CHARGE UPON ANY FUNDS OTHER THAN THE REVENUES AND AMOUNTS PLEDGED TO THE PAYMENT THEREOF, NOR SHALL THE CITY BE SUBJECT TO ANY PECUNIARY LIABILITY THEREON. NO OWNER OR OWNERS OF ANY SERIES 2004 BOND SHALL EVER HAVE THE RIGHT TO COMPEL**

**ANY EXERCISE OF THE TAXING POWER OF THE CITY TO PAY SUCH BOND OR THE INTEREST THEREON, NOR TO ENFORCE PAYMENT OF ANY SUCH BOND AGAINST ANY PROPERTY OF THE CITY; NOR SHALL ANY SUCH BOND CONSTITUTE A CHARGE, LIEN, OR ENCUMBRANCE, LEGAL OR EQUITABLE, UPON ANY PROPERTY OF THE CITY, EXCEPT FOR THE GENERAL REVENUES OF THE AIRPORT AND ANY OTHER FUNDS PLEDGED TO SECURE THE PAYMENT OF THE SERIES 2004 BONDS.**

No covenants, stipulations, obligations or agreements of any officer, agent, attorney or employee of the City shall be deemed to be covenants, stipulations, obligations or agreements of any such officer, agent, attorney or employee, past or present, in his individual capacity. No recourse shall be had for the payment of the Series 2004 Bonds or any claim thereon against any member, director, officer, agent, attorney or employee of the City, past, present or future.

#### **Section 5.5. Offering Materials.**

The 2004A/B/C Preliminary Official Statement shall be "deemed final" by the City as of its date, and the execution of its certificates to such effect by the appropriate officers of the City is hereby authorized and approved. The preparation and distribution of a final Official Statement with respect to the Series 2004A/B Bonds and the Series 2004C Bonds in substantially the form as the 2004A/B/C Preliminary Official Statement but containing the information in the Supplemental Ordinance is hereby authorized and approved. The Mayor of the City, the Chief Financial Officer of the City and the Airport General Manager are authorized to execute such final Official Statement on behalf of the City.

The execution and delivery by the City of the Disclosure Agreement is hereby authorized. The Mayor of the City is authorized to sign the Disclosure Agreement on behalf of the City, and the corporate seal of the City shall be affixed on the Disclosure Agreement and attested by the Municipal Clerk. Notwithstanding any other provision of the Bond Ordinance, failure of the City to comply with the Disclosure Agreement shall not be considered a default thereunder, and under no circumstances shall such failure affect the validity or the security for the payment of the Series 2004 Bonds. It is expressly provided, however, that any beneficial owner of the Series 2004 Bonds may take such action, to the extent and in such manner as may be allowed by applicable law, as may be necessary and appropriate, including seeking mandamus or specific performance by court order to cause the City to comply with its obligations under this Section. The cost to the City of performing its obligations set forth in this Section shall be paid solely from funds lawfully available for such purpose. Nothing contained in the Bond Ordinance shall obligate the levy of any tax for the City's obligations set forth in this Section.

**Section 6.1. Credit Facilities.**

The City is hereby authorized to negotiate and acquire, as deemed necessary and appropriate by the City Finance Officer or the Chief Officer, one or more municipal bond insurance policies which shall constitute a Credit Facility Agreement with respect to any series of the Series 2004 Bonds. The Project Fund Custodian, at the direction of the City, may establish

Disbursements of Bond proceeds from the 2004 Project Fund shall be made only for payment of the Costs of the 2004 Project (including capitalized interest) and for payment of costs of issuance of the Series 2004 Bonds, provided, however, the owners of the Series 2004 Bonds shall have recourse against amounts on deposit in the 2004 Project Fund in the event there is a default with respect to the payment of the principal of or interest on the Series 2004 Bonds.

The interest rate for serial or term Bonds maturing on a particular date may be different from the interest rate or rates established for other Bonds.

Each notice of mandatory tender for purchase caused by a change in the Mode applicable to the Bonds shall in addition specify the conditions that have to be satisfied pursuant to Section C-204 hereof in order for the New Mode to become effective and the consequences that the failure to satisfy any of such conditions would have. The Paying Agent/Registrar shall give a copy of any notice of mandatory tender given by it to the other Notice Parties. Any notice mailed as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner of any Bond receives the notice, and the failure of such Owner to receive any such notice shall not affect the validity of the action described in such notice. Any such amounts shall be held uninvested. Such undelivered Bonds shall be deemed tendered and cease to accrue interest as to the former Owners on the Mandatory Purchase Date, and moneys representing the Purchase Price shall be available against delivery of those Bonds at the Principal Office of the Tender Agent; provided, however, that any funds which shall be so held by the Tender Agent and which remain unclaimed by the former Owner of any such Bond not presented for purchase for a period of three years after delivery of such funds to the Tender Agent, shall, to the extent permitted by law, upon request in writing by the City and the furnishing of security or indemnity to the Tender Agent's satisfaction, be paid to the City free of any trust or lien and thereafter the former Owner of such Bond shall look only to the City and then only to the extent of the amounts so received by the City without any interest thereon and the Tender Agent shall have no further responsibility with respect to such moneys or payment of the Purchase Price of such Bonds. (b) If any rate specified in any Bid contains more than three figures to the right of the decimal point, the Auction Agent shall round such rate up to the next highest one thousandth of one percent (0.001%).

(c) If an Order or Orders covering all of the Bonds of a particular Series held by an Existing Owner is not submitted to the Auction Agent prior to the Submission Deadline, the Auction Agent shall deem a Hold Order to have been submitted on behalf of such Existing Owner covering the principal amount of Bonds of such Series held by such Existing Owner and not subject to Orders submitted to the Auction Agent; provided, however, that if there is a conversion from one Auction Period to another Auction Period or an amendment or modification to the Seventh Supplemental Bond Ordinance in accordance with Section 2.07(b) of this Exhibit C-1 and Orders have not been submitted to the Auction Agent prior to the Submission Deadline covering the aggregate principal amount of Bonds of the Series to be converted held by such Existing Owner, the Auction Agent shall deem a Sell Order to have been submitted on behalf of such Existing Owner covering the principal amount of Bonds of such Series to be converted held by such Existing Owner not subject to Orders submitted to the Auction Agent.

(d) If one or more Orders covering in the aggregate more than the principal amount of Outstanding Bonds of a Series held by any Existing Owner are submitted to the Auction Agent, such Orders shall be considered valid as follows:

(i) all Hold Orders shall be considered Hold Orders, but only up to and including in the aggregate the principal amount of Bonds of such Series held by such Existing Owner;

(ii) (A) any Bid of an Existing Owner shall be considered valid as a Bid of an Existing Owner up to and including the excess of the principal amount of Bonds of such Series held by such Existing Owner over the principal amount of the Bonds of such Series subject to Hold Orders referred to in paragraph (i) above;

(B) subject to clause (A) above, all Bids of an Existing Owner with the same rate shall be aggregated and considered a single Bid of an Existing Owner up to and including the excess of the principal amount of Bonds of such Series held by such Existing Owner over the principal amount of Bonds of such Series held by such Existing Owner subject to Hold Orders referred to in paragraph (i) above;

(C) subject to clause (A) above, if more than one Bid with different rates is submitted on behalf of such Existing Owner, such Bids shall be considered Bids of an Existing Owner in the ascending order of their respective rates up to the amount of the excess of the principal amount of Bonds of such Series held by such Existing Owner over the principal amount of Bonds of such Series held by such Existing Owner subject to Hold Orders referred to in paragraph (i) above; and

(D) the principal amount, if any, of such Bonds of such Series subject to Bids not considered to be Bids of an Existing Owner under this paragraph (ii) shall be treated as the subject to a Bid by a Potential Owner; and

(iii) all Sell Orders shall be considered Sell Orders, but only up to and including a principal amount of Bonds of such Series equal to the excess of the principal amount of Bonds of such Series held by such Existing Owner over the sum of the principal amount of the Bonds considered to be subject to Hold Orders pursuant to paragraph (i) above and the principal amount of Bonds of such Series considered to be subject to Bids of such Existing Owner pursuant to paragraph (ii) above.

(e) If more than one Bid is submitted on behalf of any Potential Owner, each Bid submitted with the same rate shall be aggregated and considered a single Bid and each Bid submitted with a different rate shall be considered a separate Bid with the rate and the principal amount of Bonds of such Series specified therein.

(f) Neither the City nor the Auction Agent shall be responsible for the failure of any Broker-Dealer to submit an Order to the Auction Agent on behalf of any Existing Owner or Potential Owner.

### **Section 2.03 Determination of Auction Period Rate.**

(a) Not later than 9:30 a.m., New York City time, on each Auction Date for Bonds of each Series in an Auction Rate Mode, the Auction Agent shall advise the Broker-Dealers and the City by telephone or other electronic communication acceptable to the parties of the All Hold Rate, the Maximum Auction Rate and the Index for the Bonds of such Series.

(b) Promptly after the Submission Deadline on each Auction Date for Bonds of each Series in an Auction Rate Mode, the Auction Agent shall assemble all Orders submitted or deemed submitted to it by the Broker-Dealers (each such Order as submitted or deemed submitted by a Broker-Dealer being hereinafter referred to as a "Submitted Hold Order," a "Submitted Bid" or a "Submitted Sell Order," as the case may be, and collectively as a "Submitted Order") and shall determine (i) the Available Bonds, (ii) whether there are Sufficient Clearing Bids, and (iii) the Auction Rate.

(c) Promptly after the Auction Agent has made the determinations pursuant to subsection (b) above, the Auction Agent shall advise the City by telephone (promptly confirmed in writing), telex or facsimile transmission or other electronic communication acceptable to the parties of the Auction Rate for the next succeeding Auction Period and the City shall promptly notify the Securities Depository of such Auction Rate.

(d) In the event the Auction Agent fails to calculate or, for any reason, fails to timely provide the Auction Rate for any Auction Period, the new Auction Period shall be the same as the preceding Auction Period and the Auction Period Rate for the new Auction Period shall be the same as the Auction Period Rate for the preceding Auction Period.

(e) In the event that the Auction Procedures are suspended pursuant to paragraph (iv) of subsection (c) of Section 2.01 of this Exhibit C-1 with respect to any Bond of Series, the Auction Period Rate for the next succeeding Auction Period shall be the Default Rate.

(f) In the event that all of the conditions for a change in the Mode applicable to the Bonds of a Series from an Auction Mode to any other Mode pursuant to Section C-204 of Exhibit C have not been met or in the event of a failure to change the length of the current Auction Period due to the lack of Sufficient Clearing Bids at the Auction on the Auction Date for the first new Auction Period, the Auction Period Rate for the next Auction Period shall be the Maximum Auction Rate and the Auction Period shall be a seven-day Auction Period.

(g) If the Bonds of a Series are not rated or if the Bonds of a Series are no longer maintained in book-entry form by the Securities Depository, then the Auction Period Rate shall be the Maximum Auction Rate.

(v) The Submitted Bid of each Potential Owner specifying any rate that is higher than the Maximum Auction Rate with respect to the Bonds of a Series shall be rejected.

(c) If, as a result of the procedures described in subsection (a) or (b) above, any Existing Owner or Potential Owner would be required to purchase or sell an aggregate principal amount of Bonds of a Series which is not an integral multiple of the Authorized Denomination for Bonds of such Series on any Auction Date, the Auction Agent shall by lot, in such manner as it shall determine in its sole discretion, round up or down the principal amount of Bonds of a Series to be purchased or sold by any Existing Owner or Potential Owner on such Auction Date so that the aggregate principal amount of Bonds of a Series purchased or sold by each Existing Owner or Potential Owner on such Auction Date shall be an integral multiple of the Authorized Denomination for Bonds of such Series, even if such allocation results in one or more of such Existing Owners or Potential Owners not purchasing or selling any Bonds of a Series on such Auction Date.

(d) If, as a result of the procedures described in subsection (a) above, any Potential Owner would be required to purchase a principal amount of Bonds of a Series that is less than the Authorized Denomination for Bonds of such Series on any Auction Date, the Auction Agent shall by lot, in such manner as it shall determine in its sole discretion, allocate such Bonds for purchase among Potential

Owners so that the principal amount of Bonds of a Series purchased on such Auction Date by any Potential Owner shall be an integral multiple of the Authorized Denomination for Bonds of such Series, even if such allocation results in one or more of such Potential Owners not purchasing such Bonds on such Auction Date.

**Section 2.05 Notice of Auction Period Rate.**

(a) On each Auction Date, the Auction Agent shall notify by telephone or other telecommunication device or other electronic communication acceptable to the parties or in writing each Broker-Dealer that participated in the Auction held on such Auction Date of the following with respect to Bonds of each Series for which an Auction was held on such Auction Date:

(i) the Auction Period Rate determined on such Auction Date for the succeeding Auction Period;

(ii) whether Sufficient Clearing Bids existed for the determination of the Winning Bid Rate;

(iv) if such Broker-Dealer submitted a Bid on behalf of a Potential Owner, whether such Bid was accepted or rejected and the principal amount of Bonds of a Series, if any, to be purchased by such Potential Owner;

(v) if the aggregate principal amount of the Bonds of a Series to be sold by all Existing Owners on whose behalf of such Broker-Dealer submitted Bids or Sell Orders is different from the aggregate principal amount of Bonds of a Series to be purchased by all Potential Owners on whose behalf such Broker-Dealer submitted a Bid, the name or names of one or more Broker-Dealers (and the Agent Member, if any, of each such other Broker Dealer) and the principal amount of Bonds of a Series to be (A) purchased from one or more Existing Owners on whose behalf such other Broker-Dealers submitted Bids or Sell Orders or (B) sold to one or more Potential Owners on whose behalf such Broker-Dealer submitted Bids; and

(vi) the immediately succeeding Auction Date.

(b) On each Auction Date, with respect to Bonds of each Series for which an Auction was held on such Auction Date, each Broker-Dealer that submitted an Order on behalf of any Existing Owner or Potential Owner shall: (i) advise each Existing Owner and Potential Owner on whose behalf such Broker-Dealer submitted an Order as to (A) the Auction Period Rate determined on such Auction Date, (B) whether any Bid or Sell Order submitted on behalf of each such Owner was accepted or rejected and (C) the immediately succeeding Auction Date; (ii) instruct each Potential Owner on whose behalf such Broker-Dealer submitted a Bid that was accepted, in whole or in part, to instruct such Existing Owner's Agent Member to pay to such Broker-Dealer (or its Agent Member) through the Securities Depository the amount necessary to purchase the principal amount of such Bonds of a Series to be purchased pursuant to such Bid (including, with respect to such Bonds of a Series in a daily Auction Period, accrued interest if the purchase date is not an Interest Payment Date for such Bond) against receipt of such Bonds of a Series; and (iii) instruct each Existing Owner on whose behalf such Broker-Dealer submitted a Sell Order that was accepted or a Bid that was rejected, in whole or in part, to instruct such Existing Owner's Agent Member to deliver to such Broker-Dealer (or its Agent Member) through the Securities Depository the

## **Section 2.06    Index.**

(a)     The Index on any Auction Date with respect to Bonds of a Series in any Auction Period of 95 days or less shall be the LIBOR Rate on such date. If such rate is unavailable, the Index for the Bonds of a Series shall be an index or rate agreed to by all Broker-Dealers and consented to by the City.

“LIBOR Rate” means, as of any date of determination for any Auction Period, (i) for any Auction Period of fewer than 40 days, the offered rate for deposits in U.S. dollars for a one-month period which appears on the Telerate Page 3750 at approximately 11:00 a.m., London time, on such date, or if such date is not a date on which dealings in U.S. dollars are transacted in the London interbank market, then on the next preceding day on which such dealings were transacted in such market and (ii) for any Auction Period of 40 or more but fewer than 95 days, such rate for deposits in U.S. dollars for a three-month period.

(b)     The Index with respect to Bonds of a Series in any Auction Period greater than 95 days will be the rate on United States Treasury securities having a maturity which most closely approximates the length of the Auction Period, as last published in *The Wall Street Journal*. If such rate is unavailable, the Index for the Bonds of a Series shall be an index or rate agreed to by all Broker-Dealers and consented to by the City.

(c)     If for any reason on any Auction Date the Index shall not be determined as hereinabove provided in this Section, the Index shall be the Index for the Auction Period ending on such Auction Date.

(d)     The determination of the Index as provided herein shall be conclusive and binding upon the City, the Broker-Dealers, the Auction Agent and the Owners of the Bonds of a Series.

## **Section 2.07    Miscellaneous Provisions Regarding Auctions.**

(a)     In this Exhibit C-1, each reference to the purchase, sale or holding of “Bonds” shall refer to beneficial interests in such Bonds, unless the context clearly requires otherwise.

(b)     During an Auction Rate Mode, with respect to the Bonds of a Series, the provisions of the Seventh Supplemental Bond Ordinance, including the Supplemental Resolution, Exhibit C, this Exhibit C-1 and the definitions contained in this Exhibit C-1, including, without limitation, the definitions of Maximum Rate, Maximum Auction Rate, All Hold Rate, Index, Default Rate, Auction Multiple and the Auction Period Rate, may be modified or amended, pursuant to the Seventh Supplemental Bond Ordinance by obtaining, when required by the Seventh Supplemental Bond Ordinance, the consent of the owners of all Outstanding Bonds of such Series as follows; provided, however, that no such modification or amendment that adversely affect the rights, duties or obligations of the Auction Agent shall be made without the consent of the Auction Agent. If on the first Auction Date occurring at least 20 days after the date on which the Paying Agent/Registrar mailed notice of such proposed modification or amendment to the registered owners of the Outstanding Bonds of a Series as and to the extent required by the Seventh Supplemental Bond Ordinance, (i) the Auction Period Rate which is determined on such date is the Winning Bid Rate and (ii) there is delivered to the City a Favorable Opinion of Bond Counsel, the proposed modification or amendment shall be deemed to have been consented to by the owners of all affected Outstanding Bonds of such Series.

(c) If the Securities Depository notifies the City that it is unwilling or unable to continue as Owner of the Bonds of a Series or if at any time the Securities Depository shall no longer be registered or in good standing under the Securities Exchange Act of 1934, as amended, or other applicable statute or regulation and a successor to the Securities Depository is not appointed by the City within 90 days after the City receives notice or becomes aware of such condition, as the case may be, the City shall execute and the Paying Agent/Registrar shall authenticate and deliver certificates representing the Bonds of such Series. Such Bonds shall be authorized in such names and authorized denominations as the Securities Depository, pursuant to instructions from the Agent Members or otherwise, shall instruct the City and the Paying Agent/Registrar.

(d) During an Auction Rate Mode, so long as the ownership of the Bonds of a Series is maintained in book-entry form by the Securities Depository, an Existing Owner or a beneficial owner may sell, transfer or otherwise dispose of a Bond only pursuant to a Bid or Sell Order in accordance with the Auction Procedures or to or through a Broker-Dealer, provided that (i) in the case of all transfers other than pursuant to Auctions such Existing Owner or its Broker-Dealer or its Agent Member advises the Auction Agent of such transfer and (ii) a sale, transfer or other disposition of Bonds of a Series from a customer of a Broker-Dealer who is listed on the records of that Broker-Dealer as the holder of such Bonds to that Broker-Dealer or another customer of that Broker-Dealer shall not be deemed to be a sale, transfer or other disposition for purposes of this paragraph if such Broker-Dealer remains the Existing Owner of Bonds of a Series so sold, transferred or disposed of immediately after such sale, transfer or disposition.

#### **Section 2.08 Changes in Auction Period or Auction Date.**

##### **(a) Changes in Auction Period.**

(i) During any Auction Rate Mode, the City may from time to time on any Interest Payment Date, change the length of the Auction Period with respect to all of the Bonds of any Series among daily, seven-day, 28-day, 35-day, three month, semiannual and Flexible Auction Periods in order to accommodate economic and financial factors that may affect or be relevant to the length of the Auction Period and the interest rate borne by Bonds of such Series. The City shall initiate the change in the length of the Auction Period by giving written notice to the Auction Agent, the Broker-Dealers and the Securities Depository that the Auction Period shall change if the conditions described herein are satisfied and the proposed effective date of the change, at least 10 Business Days prior to the Auction Date for such Auction Period.

(ii) Any such changed Auction Period shall be for a period of one day, seven days, 28 days, 35 days, three months or six months and shall be for all of the Bonds of a Series in an Auction Rate Mode.

(iii) The change in the length of the Auction Period for Bonds of any Series shall not be allowed unless Sufficient Clearing Bids existed at both the Auction before the date on which the notice of the proposed change was given as provided in this subsection (a) and the Auction immediately preceding the proposed change.

(iv) The change in length of the Auction Period for Bonds of any Series shall take effect only if (A) the Auction Agent receives, by 11:00 a.m., New York City time, on the Business Day before the Auction Date for the first such Auction Period, a certificate from an Authorized Officer consenting to the change in the length of the Auction Period specified in such certificate and (B) Sufficient Clearing Bids exist at the Auction on the Auction Date for such first Auction Period. For purposes of the Auction for such first Auction Period only, each Existing

Owner shall be deemed to have submitted Sell Orders with respect to all of its Bonds of a Series for which there is to be a change in the length of the Auction Period except to the extent such Existing Owner submits an Order with respect to such Bonds. If the condition referred to in (A) above is not met, the Auction Rate for the next Auction Period shall be determined pursuant to the Auction Procedures and the Auction Period shall be the Auction Period determined without reference to the proposed change. If the condition referred to in (A) is met but the condition referred to in (B) above is not met, the Auction Rate for the next Auction Period shall be the Maximum Auction Rate and the Auction Period shall be a seven-day Auction Period.

(v) On the conversion date for Bonds of a Series from one Auction Period to another, any Bonds of such Series which are not the subject of a specific Hold Order or Bid shall be deemed to be subject to a Sell Order.

(b) Changes in Auction Date. During any Auction Rate Mode, the Auction Agent, with the written consent of the City, may specify an earlier Auction Date for Bonds of any Series (but in no event more than five Business Days earlier) than the Auction Date that would otherwise be determined in accordance with the definition of "Auction Date" in order to conform with then current market practice with respect to similar securities or to accommodate economic and financial factors that may affect or be relevant to the day of the week constituting an Auction Date and the interest rate borne on such Bonds. The Auction Agent shall provide notice of its determination to specify an earlier Auction Date for an Auction Period by means of a written notice delivered at least 45 days prior to the proposed changed Auction Date to the City, the Broker-Dealers and the Securities Depository.

### **ARTICLE III. AUCTION AGENT**

#### **Section 3.01 Auction Agent.**

(a) The Auction Agent shall be appointed by the City to perform the functions specified herein. The Auction Agent shall designate its Principal Office and signify its acceptance of the duties and obligations imposed upon it hereunder by an Auction Agreement delivered to the City and each Broker-Dealer which shall set forth such procedural and other matters relating to the implementation of the Auction Procedures as shall be satisfactory to the City.

(b) Subject to any applicable governmental restrictions, the Auction Agent may be or become the owner of or trade in Bonds with the same rights as if such entity were not the Auction Agent.

#### **Section 3.02 Qualifications of Auction Agent; Resignation; Removal.**

The Auction Agent shall be (a) a bank or trust company organized under the laws of the United States or any state territory thereof having a combined capital stock, surplus and undivided profits of at least \$30,000,000, or (b) a member of National Association of Securities Dealers having a capitalization of at least \$30,000,000 and, in either case, authorized by law to perform all the duties imposed upon it by the Seventh Supplemental Bond Ordinance and a member of or a participant in, the Securities Depository. The Auction Agent may at any time resign and be discharged of the duties and obligations created by the Seventh Supplemental Bond Ordinance by giving at least ninety (90) days notice to each Broker-Dealer and the City. The Auction Agent may be removed at any time by the City by written notice, delivered to the Auction Agent and each Broker-Dealer. Upon any such resignation or removal, the City shall appoint a successor Auction Agent meeting the requirements of this Section. In the event of the resignation or removal of the Auction Agent, the Auction Agent shall pay over, assign and deliver any moneys and Bonds held by it in such capacity to its successor. The Auction Agent shall continue to perform its duties

hereunder until its successor has been appointed by the City. In the event that the Auction Agent has not been compensated for its services, the Auction Agent may resign by giving thirty (30) days notice to the City even if a successor Auction Agent has not been appointed.
